

Subject: End of Life Notification – 9000 Series Media

In Barcelona, on June the 15th of 2026

To whom it may concern,

We would like to formally inform you that Mitsubishi Electric Europe B.V. will discontinue the media for the 9000 Series photo printers.

After more than 20 years of proven reliability and performance in the market, the 9000 Series product line will reach its End of Life as of **May 2027**.

Many of these systems remain successfully in operation worldwide, and we would like to sincerely thank all customers and partners who have trusted Mitsubishi Electric throughout these years.

This End of Life affects the following consumables:

CK9046, CK9046PST(E), CK9057, CK9069, CK9015, CK9318 and CK9523, used in printers including CP9550DW, CP9600DW, CP9810DW and their corresponding system variants.

Please be aware that after May 2027, these media products will no longer be available in the market.

We strongly recommend that you take the necessary actions in advance to ensure business continuity, including planning your remaining consumption and evaluating potential transition or upgrade options where applicable.

Other media products will continue to be available in accordance with our [Media Supply Policy](#).

For further information or assistance, please contact your local Mitsubishi Electric representative.

Yours faithfully,

Xavier Cantan

Business Unit Manager

Visual Information Systems – Printers Group
